A group found to be the equivalent of two full shots and a putting green behind the group in front of them AND which is not on the schedule per pace of play chart established by the scorecard, shall be approached by a tournament official and informed that their group is out of position and that the group is now "On The Clock". This will serve as the only warning for each competitor prior to being penalized for subsequent slow play. Following this official warning, all players in a group will be timed. If, on any shot, from the time it is clearly his/her turn to play, a player takes more than forty five (45) seconds to play his/ her shot; he/she will be penalized as follows.

- First Offense: one (1) stroke penalty.
- Second Offense: two (2) stroke penalty.
